Q5

Q5 | SQ5

Audi Q5

The Audi Q5 has always set the benchmark in its category. This often imitated SUV is as progressive as it is sporty, and as spacious as it is functional. A distinct profile, quattro® permanent all-wheel drive, and an 8-speed Tiptronic® transmission provide ample evidence of this achievement.

The Audi Q5 greets you with a coupé-like roofline and wraparound tailgate. The horizontal lines of this high-performance SUV are emphasized with xenon plus headlights, LED daytime running lights and tail lights that combine innovation and design to spectacular effect. A high-gloss black single-frame grille with vertical chrome struts and bevelled upper edges offers a look that is at once sporty and elegant. And the standard power tailgate does more than lend an unmistakable appearance to the rear of the Audi Q5; it also makes for easier loading and unloading. Suddenly, its industry counterparts seem like relics of the past.

The ultra-efficient 2.0 TFSI® engine delivers 258 lb-ft of torque, and it combines with an 8-speed Tiptronic® transmission for the best in efficiency and performance. The all-aluminum Audi 3.0-litre TFSI V6 engine unites FSI® direct injection and supercharging to create impressive torque, making full power usable at any speed. (This refinement means you get V8 power and torque with the efficiency of a V6 engine.)

For an even more eco-friendly version of this powerful SUV, choose the Audi Q5 hybrid. As one of the only hybrids in its class, it accomplishes a reduction on environmental impact without needing to make concessions for performance. The Q5 hybrid features a turbocharged 2.0-litre 4-cylinder engine combined with an electric motor that is powered by a lithium-ion battery. The Audi Q5 stands as progressive innovation at its finest.

Audi SQ5

The perfect synthesis of our leading design sensibilities and performance capabilities can be seen in the Audi SQ5. This remarkably versatile SUV is a marvel of technology, a triumph of design, and a sheer pleasure to drive. With a supercharged 3.0 TFSI® engine, it's the only crossover that performs like a sports car. You'll experience an impressive 354 hp and 347 lb-ft of torque, plus an 8-speed Tiptronic® transmission that reduces fuel consumption while being flexible enough to allow dynamic, sporty acceleration and low-rev, high-speed cruising.

The quattro® permanent all-wheel drive with torque vectoring helps keep the Audi SQ5 firmly on the road in even the most perilous conditions. The sleek, spacious design incorporates striking LEDs, optional 21" wheels, and a distinctive bumper and roof spoiler for the best on-road impression. Whether you yearn for sporty performance, luxurious comfort, or the versatility of an SUV, the Audi SQ5 is engineered to exceed your expectations.

Package contents

- S line Sport Package^{1,2}**
- ▶ 19" 5-arm star design wheels w/ all-season tires: 235/55
 - ▶ S line bumpers
 - ▶ Matte brushed aluminum inlays
 - ▶ Sport seats w/ driver/pass. lumbar
 - ▶ Steering wheel w/ shift paddles
 - ▶ Black headliner
 - ▶ 3-spoke flat-bottom multi-function steering wheel
 - ▶ S line door sills and exterior badges

- Convenience Package¹**
- ▶ Advanced key w/ start button
 - ▶ Rear parking sensors
 - ▶ Power driver (w/ memory) and passenger seat
 - ▶ Auto-dimming interior mirror w/ compass
 - ▶ Heated, power adjustable/folding, auto-dimming exterior mirrors

- Navigation Package^{1,2,4}**
- ▶ Speech dialogue system
 - ▶ HDD navigation
 - ▶ DVD Player
 - ▶ Advanced parking system w/ front & rear sensors
 - ▶ Rear view camera

- Hybrid Sport Package³**
- ▶ 20" 10-spoke Y design wheels
 - ▶ Sport seats w/ driver/pass. lumbar
 - ▶ 3-spoke flat-bottom multi-function steering wheel
 - ▶ Performance tires
 - ▶ Steering wheel w/ shift paddles
 - ▶ Black headliner
 - ▶ Matte brushed aluminum inlays

- Black Optics Package⁴**
- ▶ High-gloss black window surrounds
 - ▶ High-gloss black grille surround
 - ▶ Body colour exterior mirror housings
 - ▶ Black roof rails

1. Available on 2.0 TFSI. 2. Available on 3.0 TFSI. 3. Available on Q5 hybrid. 4. Available on SQ5.

Q5 / SQ5

6. Do not drive distracted. The use of mobile devices while driving, other than in hands-free mode, is illegal in many regions and unsafe.

7. Your Audi vehicle may be equipped with a phone preparation utilizing Bluetooth® interface to enable hands-free functionality (compatible mobile phones sold separately). You will need a Bluetooth®-enabled mobile phone in order to utilize this function. Not all Bluetooth®-enabled mobile phone models are compatible with Audi phone preparation. Contact your local Audi dealer for the latest listing of compatible phones.

8. Please drive safely and obey all traffic laws, including speed limits.

9. Audi side assist, Audi pre sense, active lane assist, night vision, cruise control, parking system, head-up display and all other safety and convenience features are means of assisting the driver only. Drivers must continue to devote their full attention to safe driving. Some features are available as options and may not be available on all models. Airbags are supplemental restraints only and will not deploy under all accident circumstances. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age.

10. The Audi Navigation System depends upon signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Audi Canada. Complete, detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi Navigation System route. Periodically new mapping data is available. HDD update is required in order to maintain the latest navigation information. Updates are available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

11. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCan) fuel consumption criteria and testing methods for 2016 model year vehicles. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCan approved calculation methods for 2014 model year and older vehicles. Please refer to NRCan's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.

Audi Canada believes the specifications in this brochure to be correct at the time of printing. However, specifications, standard equipment, options, fabrics and colours are subject to change without notice. Audi Canada is not responsible for errors in typography or photography. Some equipment may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Please ask your dealer for advice concerning current availability of standard and optional equipment and verify that your vehicle will include the equipment you ordered. Vehicles in this brochure are European models shown with optional equipment or accessories that may not be available in Canada. Tires are supplied and warranted by their manufacturer. Your vehicle is sold equipped with all-season tires. However, please remember the use of winter tires may be mandatory in your province or territory. Make sure your vehicle is equipped with the proper tires at all times. Tires supplied by various manufacturers. See your dealer for complete details on the limited warranty, the Audi 24-hour Roadside Assistance (provided by Club Auto Roadside Services), or the 12-year limited warranty against corrosion perforation. Certain conditions apply; please see your dealer for details. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. "SiriusXM" is a trademark of SIRIUS XM Radio Inc.
